Date: February 28, 2018

OK WCC has posted several updated documents related to the OK WCC Electronic Data Interchange (EDI) IAIABC Claims (FROI SROI) Release 3.1 requirements to the OKWCC EDI Website. The updates represent the information and requirement changes from IAIABC Claims Release 3.0 to IAIABC Claims Release 3.1. The documents that have been posted are outlined below and are immediately available for download at https://www.okwccedi.info.

- o OK WCC Claims Electronic Data Interchange (EDI) Implementation Guide Version 1.3 located under the "Implementation Guide" link on the left-hand side of the page.
- o OK WCC Claims EDI Requirement Tables Version 1.3. The requirement tables include the Event Table, Element Requirement Table and Edit Matrix and are located under the "Implementation Guide" or "EDI Requirements" links on the left-hand side of the page. The 'Change Log' is now included in each table and describes the changes to OK WCC's Requirements.
- o OK WCC Claims EDI Release 3.1 Test Plan for Version 1.3 located under the "Implementation Info" on the left-hand side of the page.
- o OK WCC Transition from Paper to IAIABC Claims Release 3.1 Timelines Summary located under the "Implementation Info" on the left-hand side of the page. Trading Partner and EDI Vendor Testing for OKWCC FROI SROI IAIABC Claims Release 3.1 EDI testing begins April 9, 2018 and continues through August 24, 2018.

OKWCC will provide other related updates for reporting IAIABC Claims Release 3.1 to OKWCC when they become available.
